

## 500-0454-01 - Hydraulic Fitting kit

### Overview:

Hydraulic fitting kit 500-0454-01 (found in Hydac steering valves 200-0766-02 and 200-0762-02) contains 8 hydraulic fittings for the purpose of adapting Hydac steering valves to JIC hoses.

### Content:

Hydraulic fitting kit 500-0454-01 contains (qty. 3) -8 FORF to -8 MJIC fittings, (qty. 3) -6 FORF to -6 MJIC fittings and (qty. 2) -4 FORF to -4 MJIC fittings as shown below in Figure 1.

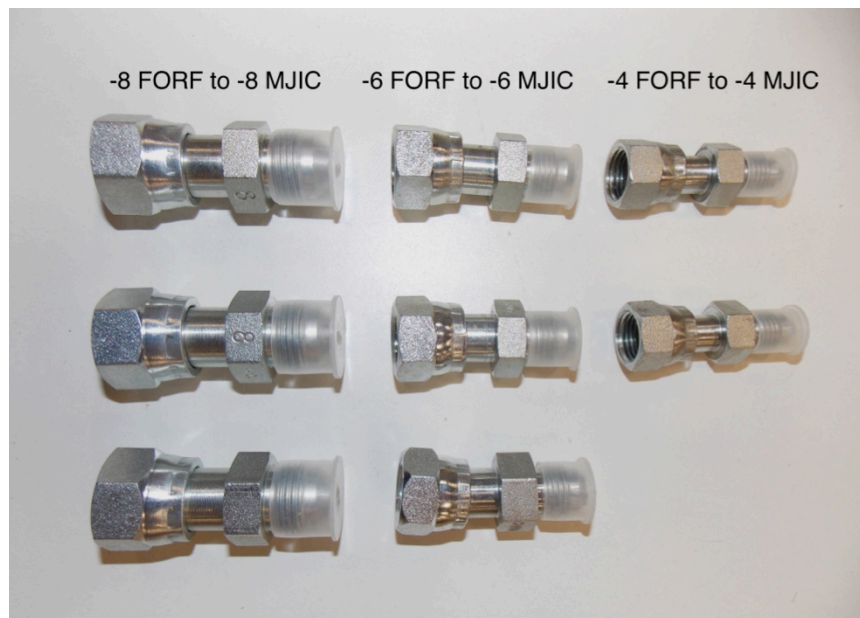

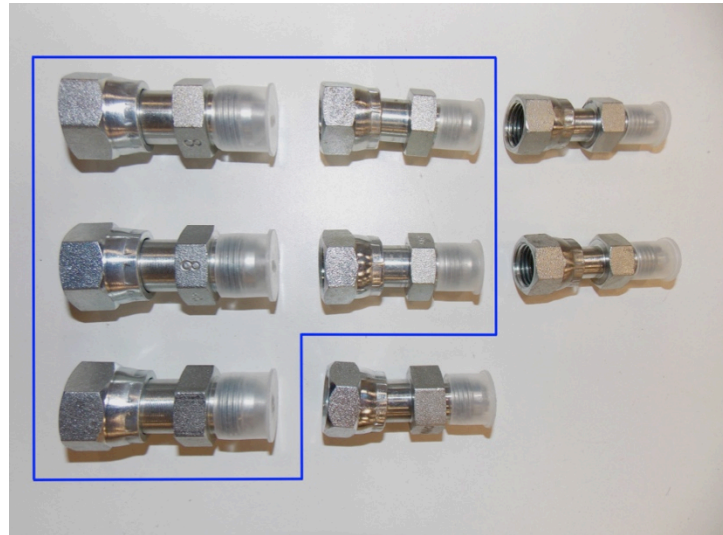

Figure 1: Hydraulic fitting sizes and quantities

Open Center applications (200-0762-02) will use 5 of the 8 adapters as show below in Figure 2. Outlined in Blue are (qty. 3) -8 FORF to -8 MJIC fittings and (qty. 2) -6 FORF to -6 MJIC fittings.

**Figure 2: Open Center adapters**

Closed Center applications (200-0766-02) will use 6 of the 8 adapters as show below in Figure 3. Outlined in Orange are (qty. 1) -8 FORF to -8 MJIC fitting, (qty. 3) -6 FORF to -6 MJIC fittings and (qty. 2) -4 FORF to -4 MJIC fittings.
